Dr. McCullough Testifies in the Pennsylvania Senate – I highly recommend listening to the brilliant testimony by Dr. McCullough to the PA Senate. I believe it is his best yet. In this article there is also a link at the bottom to the entire hearing with additional testimony by some vaccine injured (get a tissue), Steve Kirsch (I have never been a fan of Kirsch but his testimony was so spot on it needs to go viral) and Lawyer Tom Renz. It is long but I found it to be extremely interesting. 56 min. **VIDEO**

CDC confirms COVID Vaccination increases risk of Autoimmune Heart Disease by 13,200% – They knew this before the bio weapon was ever put into the first arm. Now that so many have taken their death shot they admit their crime. BUT are they going to pull the injections? No!!! They continue to push the shots. And more to come. **ARTICLE**
